Filed November 13, 2013
File No. 000-53921

Dear Mr. Tomaszewski:

We have reviewed your filing and have the following comment. Please respond to this letter within ten business days by amending your filing, by providing the requested information, or by advising us when you will provide the requested response. If you do not believe our comment applies to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your filing and the information you provide in response to this comment, we may have additional comments.

General

1. Please advise us of your analysis as to the applicability of Rule 13e-3 under the Securities Exchange Act of 1934 to your proposed reverse stock split and revise your preliminary information statement to provide all additional disclosures required under Rule 13e-3 or, alternatively, please provide us with your analysis as to why Rule 13e-3 is not applicable. Please note that we may have further comments after reviewing your revised disclosure and any additional information you provide us supplementally.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
